

How much do you value clean groundwater?

What is clean air worth to you while hiking, biking or living near Rocky Top?

Don't like dust and litter blowing off the DTG landfill onto the trails and neighboring properties?

Want to help protect valuable shrub-steppe habitat?

Want to learn more about the risks to the groundwater, air, or environment around Rocky Top from DTG activities? Join FRIENDS OF ROCKY TOP and help work to ensure DTG follows the rules – Scan this QR code or visit <https://www.cascadianow.org/friends-of-rocky-top>

Support **FRIENDS OF ROCKY TOP (FORT)**

We NEED YOUR HELP: to pressure regulators & DTG to protect public & environmental health.

Join and help us reach our funding goal: \$100,000

Donations will go to:

1. Hiring Staff Investigator/Project Manager to:
 - a. Ensure ground water and air quality is being monitored using current best practices
 - b. Apply for grant funding
 - c. File information requests about DTG, read and analyze documents from government regulators
2. Organizing a campaign to adopt an out-of-county tipping fee at all Yakima County Limited Purpose Landfills
3. Purchasing needed monitoring equipment
4. Hiring legal assistance, *if necessary*

Membership Levels:

- Supporter up to \$300 (or up to \$25/month)
- Committed Steward up to \$1200 (or up to \$100/month)
- Trailblazer up to \$1,800 (or up to \$150/month)
- Corporate over \$1800

Please make a gift, preferably recurring, to Friends of Rocky Top, a CascadiaNow! project, at:

<https://www.cascadianow.org/friends-of-rocky-top> *Donations will be made to CascadiaNow! - Friends of Rocky Top Project and are tax deductible. CascadiaNow! is a non-profit 501-3c organization.*
